Type: Service Level Fines

Dear Supplier Partner,

The attached deduction is for not meeting minimum fill rate requirements. Fill rate requirements are outlined in section 6.5 of the KeHE Policies & Procedures and the accompanying Fee Schedule.

6.5 Fill Rate

Supplier shall maintain the minimum inbound fill rate and the minimum inbound/on-time performance on a consistent basis as outlined in the **Supplier P&P Terms Form** and accompanying **Fee Schedule**; provided, in no event will service level and associated fees be any less favorable to KeHE than to any other similar distribution company. KeHE will charge administrative and other fees as a result of Supplier's failure to maintain the required inbound performance rates, as further outlined in the **Inbound Routing Guide**, and such failure may result in product discontinuation. Supplier expressly agrees that its PO or order fulfillment practices will not be any less favorable to KeHE than to any other comparable customer due to fill rate fees or any other fill rate compliance program. Supplier shall furnish KeHE with a written explanation, via email to unavailablelongterm@kehe.com, for any Product that is out of stock, or likely to be out of stock, in excess of twenty eight (28) days. This written explanation must include the reason for the product availability issue and an estimated date of correction. KeHE may share this information with its customers. Products that do not ship as specified in KeHE POs for sixty (60) days may be subject to discontinuation by KeHE.

If you wish to dispute any payment deductions, you must do so within 180 days of the date of KeHE's deduction from your invoice, by sending a detailed request, electronically, via KeHE's Supplier Portal (currently located in "KSolve"). You also must provide all necessary supporting documentation with your request.

Thank you for your partnership,
Andrew Schiopen
Executive Director, Supplier Management
